IN/COREY-DIXON

## Senior Product & Experience Designer with 14 years designing scalable digital systems for enterprise and heritage brands. Design systems, motion and end-to-end delivery for Google, PayPal, Capital One, Morgan Stanley, Dickies and The North Face.

(EXPERIENCE)

YEARS / COMPANY / ROLE / SCOPE

JUN 2026 – PRESENT

### GetWyz

FULL-TIME · RICHMOND, VA · HYBRID

**Senior Designer**

Leading product and visual design across the GetWyz platform, from early concepts through shipped features, working day to day with product and engineering.

FEB 2026 – JUN 2026

### PayPal

CONTRACT · REMOTE

**Senior UX Designer**

Led end-to-end product design across PayPal and Venmo consumer and merchant experiences, using motion design and prototyping to craft scalable, high-impact product storytelling.

NOV 2025 – MAR 2026

### Left Field Labs

FREELANCE · LOS ANGELES · REMOTE

**Senior Designer**

Led motion design and art direction for the Google I/O 2026 pre-launch experience: experimental games that gradually unlocked the official conference date.

DEC 2024 – NOV 2025

### Grow

CONTRACT

**Senior Designer**

Led end-to-end product design and design systems for Capital One enterprise tools, partnering closely with product and engineering to support scalable internal platforms.

OCT 2023 – DEC 2024

### Shockoe

MOBILE BY DESIGN · REMOTE

**Design Team Lead**

Led design for responsive web and native mobile applications, owning concept, execution and cross-functional collaboration.

JUN 2022 – OCT 2023

### VF Corporation

CONTRACT · REMOTE

**Senior Designer**

Led design system work and digital redesigns for Dickies, The North Face, Vans and Timberland, supporting a unified VF global ecosystem.
