Corey Dixon©

SENIOR & LEAD PRODUCT DESIGNER

RICHMOND, VA | HI@COREYDIXON.DESIGN | COREYDIXON.DESIGN | LINKEDIN.COM/IN/COREY-DIXON

Senior and lead product designer with 14 years designing design systems, mobile apps and web products for fintech, enterprise, e-commerce and sports brands. End-to-end delivery for Google, PayPal, Capital One, Morgan Stanley, PGA Tour, Dickies and The North Face.

EXPERIENCE

JUN 2026 – PRESENT	**GetWyz** RICHMOND, VA · HYBRID	**Senior Designer** Leading product and visual design across the GetWyz platform, from early concepts through shipped features, working day to day with product and engineering.
FEB 2026 – JUN 2026	**PayPal** REMOTE	**Senior UX Designer** CONTRACT Led end-to-end product design across PayPal and Venmo consumer and merchant experiences, using motion design and prototyping to craft scalable, high-impact product storytelling.
NOV 2025 – MAR 2026	**Left Field Labs** LOS ANGELES · REMOTE	**Senior Designer** FREELANCE Led art direction and design for the Google I/O 2026 pre-launch experience: experimental games that gradually unlocked the official conference date.
DEC 2024 – NOV 2025	**Grow** NORFOLK, VA	**Senior Designer** CONTRACT Embedded with Capital One's internal risk team through staff augmentation, leading end-to-end product design and design systems across its suite of enterprise risk tools and products. Also led art direction and UX for the Rock & Roll Hall of Fame's digital experience, designing 50 inductee pages from archive research to curated photography and artifacts; a 2026 Webby Awards Nominee in two categories.
OCT 2023 – DEC 2024	**Shockoe** MOBILE BY DESIGN · REMOTE	**Design Team Lead** Led design for responsive web and native mobile applications, owning concept, execution and cross-functional collaboration.
JUN 2022 – OCT 2023	**VF Corporation** REMOTE	**Senior Designer** CONTRACT Led design system work and digital redesigns for Dickies, The North Face, Vans and Timberland, supporting a unified VF global ecosystem.
OCT 2021 – JUN 2022	**Shockoe** REMOTE	**Senior Product Designer** CONTRACT Led design of the PGA Tour app and its Haskell design system, across responsive web and native mobile.

EXPERIENCE (CONTINUED)

MAR 2020 — OCT 2021	**Pow** PORTLAND, OR · REMOTE	**Senior Designer** Led design of Morgan Stanley's Beacon design system and its documentation site, adopted firm-wide: 50% less design production time, 40% less development effort and 90% greater UI consistency.
JAN 2019 — MAR 2020	**Money.com** SAN JUAN, PR	**Visual Designer** Led UX and product design for consumer financial tools, from discovery through delivery.
JAN 2018 — DEC 2018	**CarMax** RICHMOND, VA	**Visual Designer** CONTRACT Delivered responsive product and lifecycle design within a large enterprise environment.
NOV 2016 — JAN 2018	**Capital One** RICHMOND, VA	**Associate Visual Designer** Crafted foundational patterns and components for the Gravity design system, supporting web and app experiences still in use across Capital One products today.
JUN 2012 — NOV 2016	**Dominion Enterprises** NORFOLK, VA	**Product Designer** Designed and delivered responsive web and native app experiences for Homes.com, supporting large-scale consumer real estate platforms.
